

Below is the list of products where Mutual Recognition Type Approval is available as per the relevant requirements of the European Union Recognised Organisation Mutual Recognition (EU RO MR) procedure pursuant to Article 10 (1) of EU Regulation 391/2009. Products currently approved by Lloyd's Register are in **bold text**. For further details of the EU RO Mutual Recognition scheme see the dedicated EU RO Mutual Recognition web site [here](#)

### Mutual Recognition Product List

Accumulator Battery	Electric Heating Cables
Adjustable Steel Chocks	Electrical Actuators for Valves
Air Compressors	Electrical / Electronic Relays
<b>Air Pipe Automatic Closing Device</b>	Expansion Joints
Battery Chargers	Flameproof Luminaire Lighting Fixture
Boiler Remote Level Indicator	Fuses
Cable Ties	Insulation Panels for Provision Rooms & Chambers
Cable Trays & Ducts (glass reinforced plastic)	LV Enclosures & Boxes
Cable Trays & Ducts (metallic)	LV Transformers
Circuit Breakers	Mechanical Joints
Circuit Breakers With Electronic Devices	Plastic Piping Systems (components)
Class III Pipe Fitting	Pneumatic Actuators for Valves
Computers & PLCs	<b>Resin Chocks</b>
Connecting Systems for Cable Repair (cable splices)	Sensors
Contactors	Solenoid Valve Assembly
Contactors with Electronic Devices	Spark Arrestors
Display Monitors, Video Screens Terminals	Stationery Lighting Fixtures, Flood Light Projectors
Electric Driven Motors < 20kW	Switches

### Mutual Recognition Product List

Tachometers

Temperature Gauges and Transmitters

Thermal Insulation of Organic Foams for Piping

Valves for Bilge Systems

Valves for Freshwater Systems

Valves for Lubricating Oil and Hydraulic Oil Systems

Valves for Sanitary Systems

Valves for Seawater Systems
